Introduction

2016 International Conference on Materials and Structural Integrity (ICMSI2016). ICMSI 2016 will be held in [Paris, France](#) during [June 2-4, 2016](#). The aim as well as objective of ICMSI 2016 is to present the latest research and results of scientists related to Materials and Structural Integrity topics. This conference provides opportunities for the delegates to exchange new ideas face-to-face, to establish business or research relations as well as to find global partners for future collaborations.

Publication

All the registered and presented papers will be published in volume of [Key Engineering Materials](#) (ISSN: 1662-9795, Trans Tech Publications) Indexed by Elsevier: SCOPUS, Ei Compendex (CPX). Index Copernicus Journals Master List, Google Scholar, etc.
